Subject: Request for Extension – CSA2001 Assignment Submission |
[bhavishya] | [25MIP10068]

Respected Ma'am/Sir,

I am Bhavishya, a first-year Integrated M.Tech student (25MIP10068) enrolled in your CSA2001 – Fundamentals of AI and ML course.

I am writing to request a short extension of two days on the current assignment submission deadline, which is 30 March 2026. Over the past week I have been unwell and was unable to attend college from 21 March 2026 to 29 March 2026. I have attached my medical certificate for your reference. I have completed approximately 70% of the assignment and am confident I can submit a complete and quality submission if given until 1 April 2026.

I understand that extensions are not always possible and I completely respect your decision either way. If the extension cannot be granted, I will submit whatever I have completed by the original deadline.

Thank you for your time and consideration.

Regards,

Bhavishya
